## Product Description

**UNIFLO COMbo toilet AND MACERATOR pump set.**

A great value combination Toilet and Macerator Pump set, with the unique micro Macerator, small and compact, hidden from view from the front direction and also great for space saving.

**Set comprises**

Three piece, porcelain toilet bowl, porcelain cistern, toilet bowl seat. Also includes all cistern fittings. Micro dual cutting Macerator pump, complete with applicable connection fittings.

**Suitability**

This Combination set is ideal for understairs conversions with having a short forward projection. The Macerator pump is designed to discharge the waste in small bore pipe work from as small as 22mm pipe work but is also suitable to discharge in 32mm pipe work if required, as a result making this easier for any installation. In addition other utilities can also be connected to the Macerator for instance a basin or shower tray.

**Advantages**

Arrives altogether in one delivery direct from Uniflo. Easy to assembly. Free engineers help line for any advice if required. Fully Automatic Macerator. Quiet in operation. Low level waste inlets on both left and right sides. Built in Non-Return valves. Access panel for easy maintenance.

**Macerator TECH SPECIFICATION**

Rated voltage 230/240v. Rated power 400 watt. Flow rate Input 12.5 litres per min. Output Flow 240 litres per min. Dual Stainless steel cutting blades. Air Pressure switch activation GS & CE Certificate. **Please Note Important:** Pallet deliveries can take from 2 to 7 working depending on the service you select as Uniflo

Products have to arrange with the freight company your chosen delivery date. **Uniflo will contact you via telephone or email to arrange a convenient day for you to accept the goods as someone has to be there to accept delivery, if we are unable to contact you this may delay your delivery.** [Frequently Asked Questions](#)
