Product Description

Washing Machine up Standpipe with trap Comp 1.1/2 (40mm)

Quality polypropylene 40mm washing machine trap kit, has 600mm standpipe and wall fixings. Trap uses easy grip compression nuts, tapered rubber seal, rubber 'O' ring and a slip ring to give a secure water tight seal.

- Suitable for 1½" Pipe
- 75mm Water Seal
- Accepts Discharge from Washer
- Universal Outlet
- Manufactured In High Quality Polypropylene
